

## Screen clip - Develop on Medirecord | Trello - Google Chrome

**Notebook:** Code Academv

**Created:** 05-Sep-18 2:55 PM

**Author:** the.hicksivist@gmail.com

The screenshot shows a Trello board named "Medirecord" in Google Chrome. The browser's address bar displays the URL <https://trello.com/c/IHknHniA/3-develop>. The board has a card titled "Develop" with a checklist of tasks. The right sidebar shows an activity feed with recent actions by James Hicks.

**Develop**  
in list *Doing*

**Description** [Edit](#)  
write test code for features, refactor for final code (checklist to be created in planning stage)

**Checklist** [Delete...](#)  
0%  
☐ patient record structure  
☐ first page/login  
☐ patient and doctor logins  
☐ doctor editing records  
☐ doctor creating patient  
☐ implement optional features
